We all hope you had an enjoyable Easter Break and are looking forward to the holiday break. I will be having an extended break and Miss Alli will be the Acting Principal for week one. Miss Di will be filling in for Miss Alli in the JP classroom.

Everyone accepts children learn better and are better within themselves if they have food in their stomachs. As well as sending cereal home to families we do supply breakfast in times of need but only up to 9:00am. We would like Parents to contact us before 9:00 if your child needs to have breakfast with us. Unless we hear from a parent/Guardian via phone call or diary note that the child needs breakfast, they will need to wait until fruit time which is early in the morning session.

We do have a small budget available for EMERGENCY lunches. Parents can phone the school before 9:00am and notify us that they require an Emergency lunch or send a note with the children. In the past this budget has run out so please use only for Legitimate Emergencies. We look forward to working with parents to support the well being of the children.

Term two returns on 27th April, I will see you in week two.

Have a safe and enjoyable holiday break.

Week 10

With Easter upon our door steps it must nearing school holidays!! With such great attendance last week (Well done Eddie, Kyzar, Kyarna, Jessie, Jarrod, & Kadyn) we have been disappointed to have not seen any preschool children this week, however we would like to say a big thankyou to Kadyn and Milania who joined us on Wednesday for our Easter egg hunt!!

Over the fortnight we have had fun with a few sensory motor experiences. We have used our senses to explore the different textures, colours, and consistencies of these resources. Have a look at these experiences below!! (Water beads, play dough making, and cloud dough)

We have also enjoyed making a fruit smoothy making Easter baskets for our Easter egg hunt, colouring pictures of the Easter bunny, and as per usual playing outside!!

This week Kadyn and Milani joined in with the JP class to listen to some Easter stories, make a stained glass easter egg, and most excitingly, hunt for easter eggs outside!! They had an absolute blast!!!

We hope to see everyone back for the beginning of term 2!! Have a very happy Easter and an enjoyable school holidays!!
Assembly on Tuesday 31st March.

Students and families were reminded of The last day of term (Friday 10th April) being no school at Point Pearce, as we will be attending the Youth Day at Maitland Area School. Families are requested to take their children to Maitland Area School for this fun day. Staff will be in attendance. Awards for the term were presented.
Oh what an exciting day, students discovered Easter Bunny had been. They had fun looking for and finding eggs hidden all over the yard.

We then shared what little eggs were found amongst us and as you can see we had very full baskets of eggs. We made stained glass Easter Eggs with the Occasional Care children. We had a fun day.

Thank you Easter Bunny.

FAMILY YOUTH DAY

FRIDAY 10th April is the last day of the term. There is a Family Youth Day being held at Maitland Area School, which includes us. As the day has a family focus, our school will not be open to children. We ask families to embrace the day by taking your children to Maitland to join in the fun. Our staff will be involved at Maitland supporting the activities. We look forward to seeing you all there, having a fun time.

We look forward to welcoming everyone back to school after a lovely break on Monday 27th April.
