Nha Marni

Welcome back to Term 2,
Thanks to Miss Alli for filling in for me while I enjoyed my extended break. She did a wonderful job; my desk was left extremely well organised. Now it is full steam ahead in a busy term.

Next Monday we are being visited by Mr Tony Harrison, the Chief Executive of DECD. He will be here for a short visit and will do a tour of our school, meeting staff and children, including time spent in our Culture Room. We will discuss the proposed Central Yorke Schools model amongst other topics.

It has been excellent to see students arriving on time for their schooling. Congratulations to families for making this happen; it is not always easy to get moving these cold mornings. Arriving on time and regular attendance certainly helps with their learning.

We welcome Miss Heidi back to the school and thank her for teaching our students their dance routines. The children love dance with Miss Heidi and look forward to Friday mornings. A great way to start the day.

A big thank you goes out to an anonymous supporter who has donated five new scooters to the school. This is really timely as some of our current scooters need to be retired.

Miss Kimberly is currently on personal leave, but the Kindy is still fully operational. In fact, our Occasional Care/Playgroup numbers are increasing.

Look at our good ANZAC work, we learnt a lot about the war and our soldiers.

We made a Poppy Wreath, Medals, Ship porthole picture, Poppy planter and put up some information about ANZAC Day.
